Girl Talk Evening and Lads Chat

As part of Ermine Primary Academy's Relationships and Sex Education curriculum we offer a 'Girl talk' evening and a 'Lads Chat' evening. This is where parents and their daughters/sons can come along and have an informal chat about how their bodies will change as they approach and go through puberty. We are opening these two evenings to girls in Year 4, 5 and 6 on Tuesday 12 June at 3.15 pm and the same date and time for the boys in Yr 4, 5 and 6 on Tuesday 12 June at 3.15 pm, (the meetings will be held in separate rooms) if their parents feel that it would be appropriate for their maturity and physical needs.

The aim of the evenings are to inform the girls/boys of the real life facts about puberty and the changes that will happen to their body, before they happen, so they are prepared and informed.

This informal evening is not compulsory, but will hopefully provide a good opportunity for parents to start a discussion with their daughters/sons about possible changes in their bodies.

If you would like to attend, with your daughter/son, can you please fill in the form below stating the name and class that your child is currently in.

Yours sincerely
